SUBJECT: BIRTHDAY ANNIVERSARY - MALCOLM X
5/19/72
EM

The Bureau advised by letter, 4/19/72, that many of today's black revolutionaries regard Malcolm X as a hero and martyr. He was born 5/19/25 and was killed in New York City, 2/21/65. The possibility exists that the anniversary of his birthday may be marked with acts of violence by black revolutionaries. As an example, last year, two New York City police officers were seriously wounded in a machine gun attack by black assailants the night of 5/19. Anonymous letters claiming credit for the attack link the shooting to "Malcolm's birthday". This matter is being brought to the attention of all Agents so that they may be alert for any information concerning possible violence in connection with MALCOLM X's birthday.

All Agents during contacts with sources and informants should attempt to determine any information concerning possible violence in this connection.

Any positive information developed regarding this matter should be brought to the attention of the #5 Supervisor or Extremist Coordinator immediately for appropriate handling.
